Wm. Lloyd Garrison

Sir

General Post Office
March 23^d 1813

Yours of the 10th Instant is before me, and I receive your former letter relative to the Post Office at Peekskill. My reason for not acting in Conformity to your wishes. Cannot be assigned on paper; Nelson alone has a right to frank (and he alone is exempt from Military duty. If I detect Dewey in franking he will feel the force of the Law.

Yours with great esteem
