

It is no trouble My dear Emma to me to get
your books but it is a great deal of trouble to be
without you at school I feel quite at a loss without
you. Do My dear Em get well as quickly as
possible I know it is very delightful to be away
from school (at least so I think) though it is not
particularly delightful to be sick. I have been an
astounding good girl this week not a middling
recitation quite wonderful for honor But suppose
I should stop this foolish note so Good Bye Dearest
And Believe your most respected honored
beloved adorable Friend Nell.
