

JOHN G. CLARK,
ATTORNEY AND COUNSELLOR AT LAW,
SAVINGS BANK BUILDING,

STAPLETON, N. Y., May 2, 1898.

William Messereau Esq.,
Hudson Building, 232 Broadway, New York City.

Dear Sir :-

Mr. Julius L. Fouby has called upon me and requested me to demand of you certificates for work having been done for Mr. A. D. Irving at Sunnyside on the Hudson, over which work you were the inspecting and supervising architect.

This work has now been completed some timesince and your delay in not giving the necessary certificates seems quite unreasonable unless there is some just grounds for refusing the same. Unless this certificate is given Mr. Fouby will be forced to resort to unpleasant means to obtain the same and collect his money.

Yours very truly,

John G. Clark
