Dr.

As I wrote you a few days ago in reference to the sale of one acre of the point as the anti appropriation will not admit of paying as much as you have charged and it will be necessary for you to say your lowest price for one acre as a report will necessarily have to be made in a few days as I wrote you the government have it their power to locate wherever they please so I am informed but there is no disposition on the part of whom it is affected but to do right if you could come down tomorrow morning and meet me at 10 of 203 Broadway all will be explained if not write me by the return mail and enclose a fee
