

Thursday.

My dear Emma.

How unfortunate
I am to be out when you
call. You will think I go
every where but to see you
I must tell you that
this morning I went to
pay for my hat. All day
yesterday & the day before
I was at home. If it is

Pleasant you may expect to
see me Saturday morning.
Eliza is spending the day
with me.

Yours in haste

Eliza Stone

I have not time or I
would write a longer note.
Eliza sends her love to you.
