

Croton Oct^r 1. 1827.

Dear Brother,

I have been looking over the Will Codicil and Surveys of our De^d. Father and find there was only 1200. Acres left of South lot N^o 1. Which he Bequeath to his Three Daughters as follows - to be drawn for &c

The Anthorn Farm to contain 360 Acres
- Knappa. 20 20 34 - 20

And all the remaining land in this lot. Lying Northw^{ly} of the Anthorn Farm and the great Swamp by the Road and the possession of Dunes (embraced with the Land adjoining S. E. containing about 500. Acres - the 1200. Acres more or less I give and Bequeath to my Three Daughters ————— 500 Acres

— 1200. Acres
The above was devised by my Father to each other in the words of the Will - therefore Cornelia and Ann have given to Catherine the Deed which has been proved and recorded - for the whole

The old Gentlemen when he made the Codicil must have thought that the Ash Farm was exclusive of the 1200. Acres at any Rate Cornelia & Ann cannot have any Right as they have given a Release to Catherine - I will not consent to sell it to any one nor have any other a Right to it but Sister Catherine - I wish to see you as soon as convenient. I fell out of the gig this morning coming from Sister Hannahs and hurt my Breast - I am in haste. Your Affectionate Brother
