

26. Nov. 1904

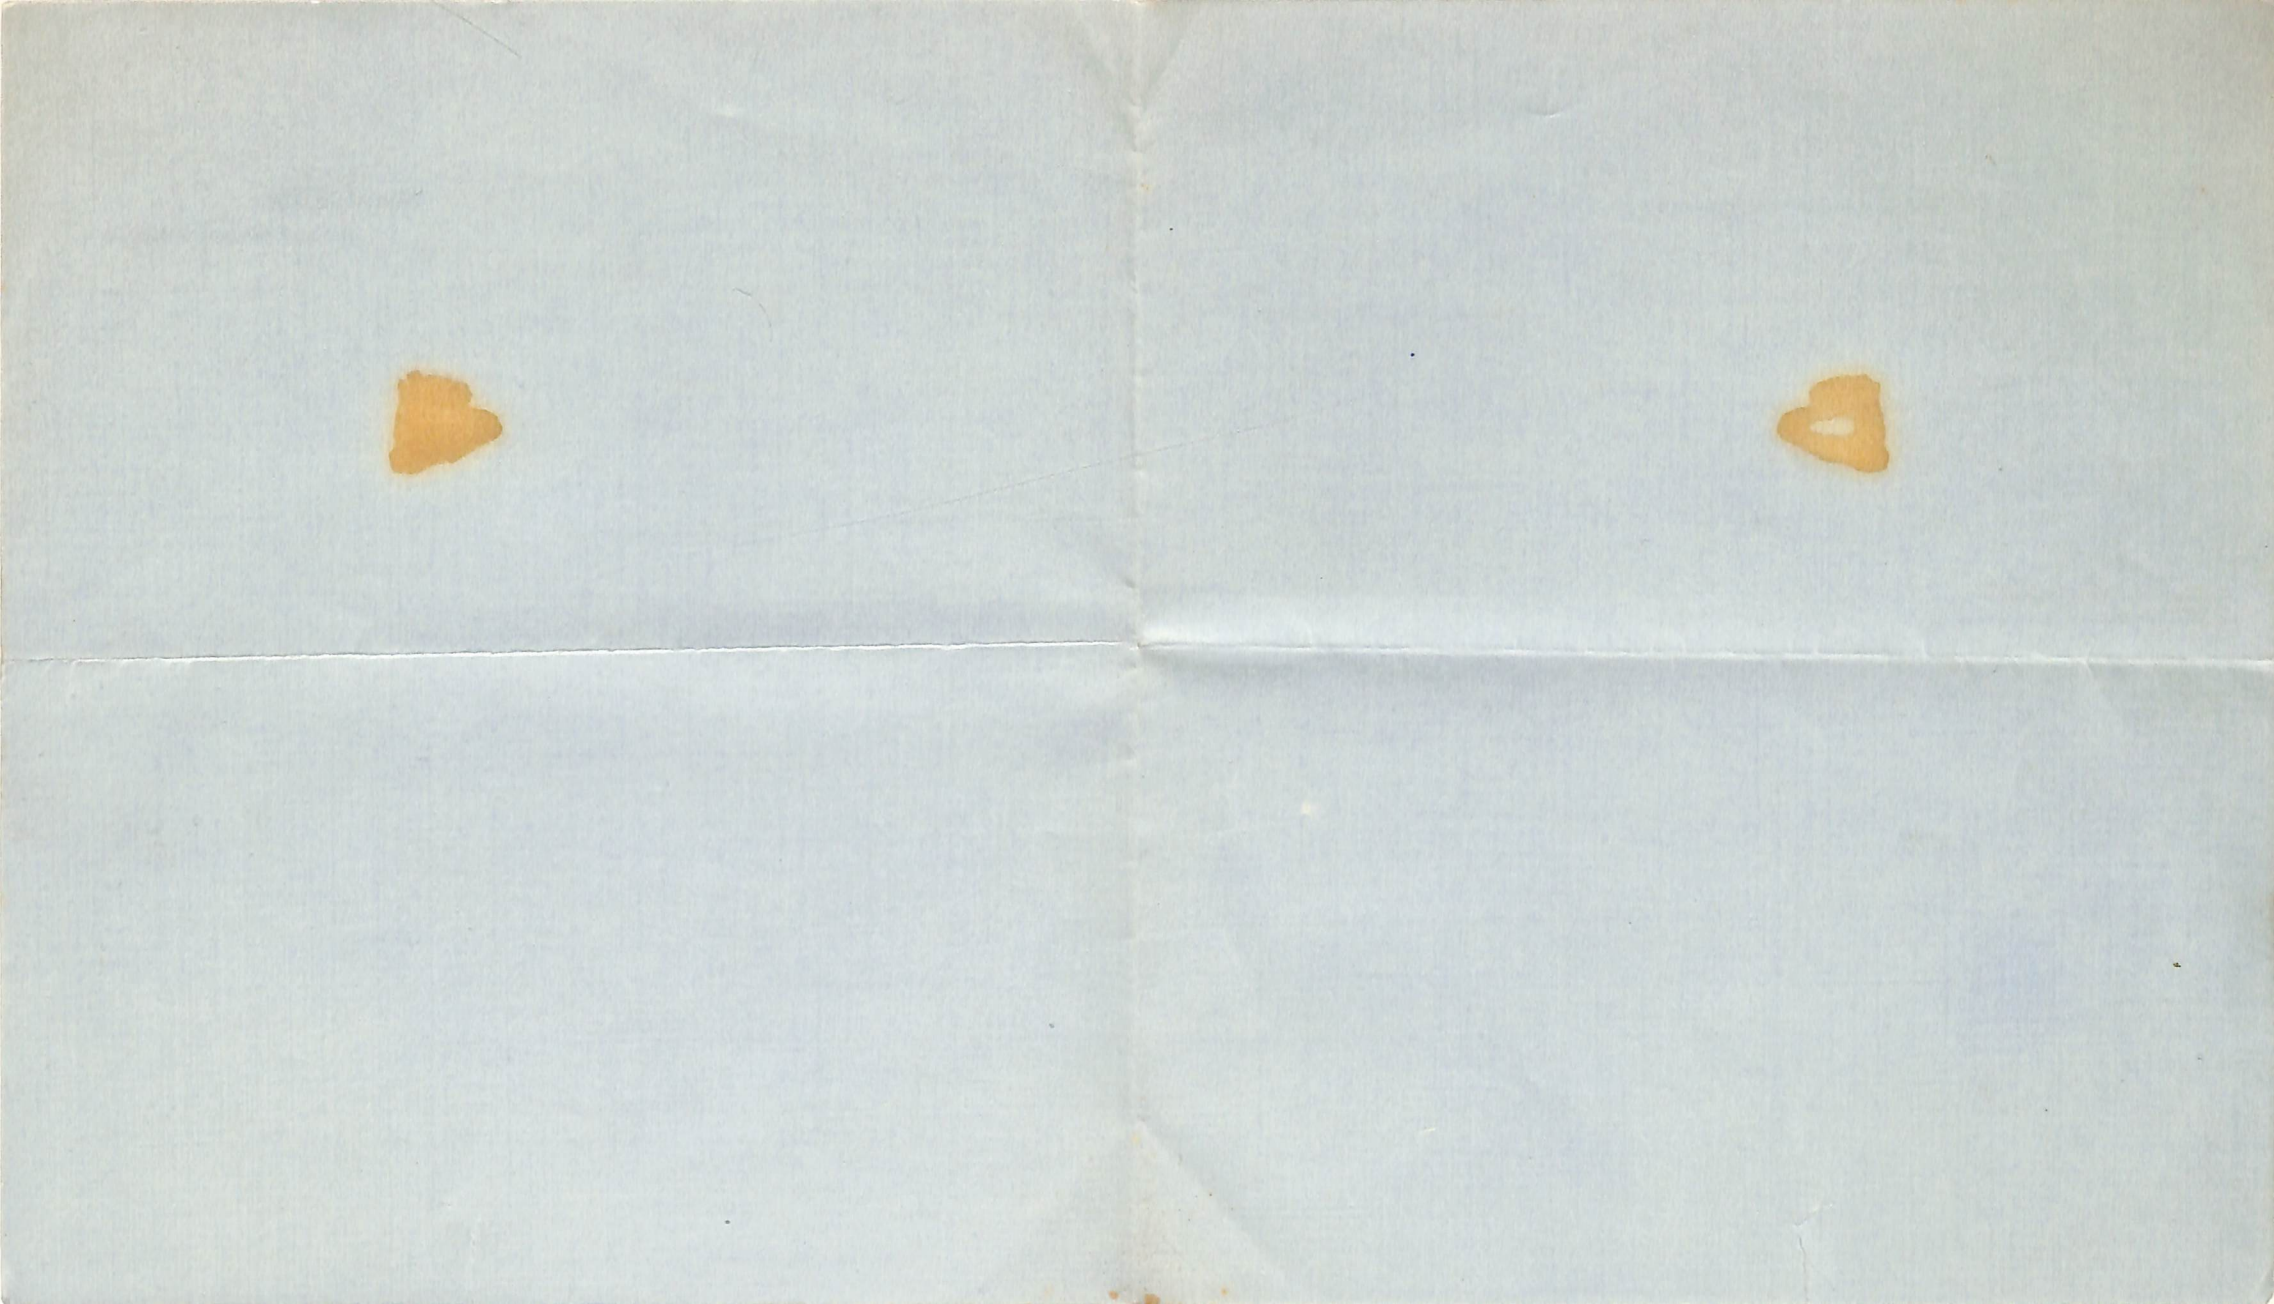

Sunnyside

Irvington-on-Hudson

Dear Jack:

The figures you now
give me as to the cost of
shipment of wood are
prohibitive so you can
drop the matter. —

I do not see why a
car load of wood from
Somerset here, should cost
\$118. — & a car load of
furniture here to Somerset —
\$50. —

I was calculating the
cost of about 30 per car.

Yours truly
L. Downing
