Dear E-

They have just brought up from Troy your letter of Friday last, & I am glad to find you are getting on so well with health eyes & muslin curtains -

You seem to think a great deal of 2° ~~below~~ ^{zero} above zero - but you will be surprised when you get my last which talks of 20 or 30 below - Since then it has rained hailed, cleared off & is now snowing fiercely from the North East -

I expect to get through here this morning & go to Whitehall tonight - I not only have no news, but although I knew there arrived a steamer last Friday, I have not yet been able to see a paper - I am well & hard at work - Love to all -
