

Dear Uncle

Your Caution with the Bank was tried this morning & a dividend obtained in your favor - The Court of Oyer & Terminer is now sitting & every day we expect the trials of Butler - Swett - Pennington & San Rep will be brought on - It is impossible to say what will be the result of them -

Frederick is now released & is gone to his family - I gave my notes to the amount of \$1500 - to accomplish it, what will be the result of that, alone, is equally impossible for me to say - except as to one newspaper company - require that I shall be poor for several years to come -

Phineas has returned from Boston & tells me that Grandfather has been quite

well -

Yours &c. P. C. Pennington
