Mr. W. H. Mesereau,

32 Broadway, N. Y.

Dear Sir:-

In reference to your recent conversation with our representative respecting our BANZAI WHITE DAMP PROOF COATING for brick, stone, cement and plastered surfaces, the following features are exceptionally important for your consideration:

- IT can be applied on damp surfaces.
- IT will give a perfect high gloss finish in two coats on a new raw brick wall.
- IT is absolutely moisture proof.
- IT will not crack, peel or blister.
- IT is as easily applied as any ordinary oil paint.
- IT has been thoroughly tested and adopted by the German Government.
- ITS value has been fully proven after severe exposure in this country.
- ITS price is very reasonable and within range of all practical uses and purposes.

We are ready to demonstrate, furnish samples or apply our material to any surfaces if desired.

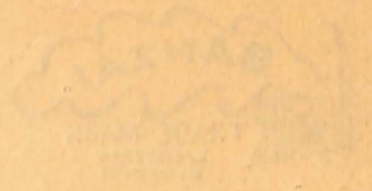

Awaiting your early favor, we are,

Yours truly,

BANZAI MANUFACTURING COMPANY
