STEAM, HOT WATER AND HOT AIR HEATING.

Tarrytown, N.Y. July 25, 1903.

Mr. Wm. H. Mersereau,

Dear Sir:-

Your favor of the 24th. inst. is received. As the writer has arrangements made to go away with his family, will it be satisfactory to have our plumber, Mr. Stone, who did the work at Sunnyside, meet you instead? We think that he, with our Mr. Cramer, will be able to give such information, or render any service required. If however, it should be important that the writer meet you, he can return for a day later in the week for the purpose, if you will kindly name the day.

Yours very truly,

C. H. Curtiss & Co.
