

Canton Sep 28th / 1835

Dear Irving,

I only received Sam's name dated
at Ellamla, the 20th ulto - and now enclose such
letters as have fallen into my hands - to your address.
As usual, I save all pamphlets, papers books &c
&c - against a convenient opportunity for reading
them. Such a one may not occur till I pull
up stakes and quit the shop. I have had very little
business this summer. Hunter & Selon making alter-
nately, trips to Ellamla. The former has been there
for two weeks, suffering with an ulcerated sore throat
I endeavored to put your Boxes of Tea into the
Galaxy but was refused freight.
Trusting then will find you in the good company
of your friends - and blessed with health,

I remain, Dear Sir,
Sam's friend, A. A. Low
