Dear Son Pierre

In your Letter of the 23 Jan^y you sent
me 76 dol^s; and the money you Received for me
was only 71 dol^s! So I herin Inclose you 5 dol^s
I mentioned it to Theodorus how much was the
Expences to fetch Cow^y up, and I would give it
him again, And his Answer was, he could not
say any thing about it, so it now stands, And
As Cow^y Stephen now goes up with him you ^{can} do
as you think fit, or write to me And I will do
as you desire, I intend to satisfy the doctor
for his coming now to see me, as the General wrote
for him to come up, We are all here much as you
left us and hope you and miss Maria got home
well, give my love to her. And shall be happy
to see her when ever you come down to see us
which I hope may not be long if the shedding
continues. This from your affectionate father
