

1331
My dear Lady

Will Mr Nicholas and
yourself do us the favor to take a family
dinner with us tomorrow? This is dismal
weather to ask any one to leave their
own comfortable fire side, indeed
Heaven and Earth seem to forbid it,
but Mrs Fitzhugh has promised to
come, & if it be necessary her Carriage
will be out, of course, will be sent
for you. I pray you come

Yrs in much haste

Anne Watson

Friday
