

Ship Hoagby Jan 6/35

Friend Irving

I send by Mr. Easterbrooks your
Quilt & Blanket (according to your request) should
be much pleased to see you on board again soon.

Mr Brooks has some money for Old Hunt, if he
is not in will you kindly take charge of it for
him. Write me if Winn has got possession of
Manilla yet, when I left him at the Theatre
he swore he would take the place before morning
& as I think him a man of his word, I have
no doubt he has performed it — Request
Capt Buffington to give Mr Brooks an order
for a small bag pepper & give my respects to
Don H — all Back enough & a thing — If there is
any thing I can do for you I will do it with the
greatest pleasure

Yours truly

Edw^d Bacon
