

To Theodore

James Sharrock,

As The Bearoz is going to New York and is to  
Return in a day or two It will be a good Opportunity  
to send by him The Returns of my flour sent you  
I Intend to send with him (as he purposes when he  
Returns to go down with his Vessel) all the flour that  
I can get Ready. I have now in the Old mill, thirty  
Barrels of buckwheat flour which I Intend to send the  
first Trip Mr Sharrock makes. And what Super-  
fine flour can be got Ready with some middling,  
The going price for Rye is 8/ and I think wheat  
will not be bought under 16/. Corn is selling for  
6/6 Cash. John Spoke has been busied in the mill  
to make it as convenient to hoist as he knows  
how he tells me it will answer very well

Your Grand mama joins me in wishing you and all  
with you health and happiness. Am Your affec<sup>tn</sup>
