William Miller

Thurman is to leave here this
day I have written to you by him -

I shall leave here as soon as possible
but as I intend going to New York before
I leave Goshall for here for the winter
perhaps in order to have time that I will
go immediately from here to New York

I mentioned in my Letter by Thurman
that if you could buy the Goney - Smith the
Constable had belonging to John Fowler to buy
him for me for forty Dollars if he was a
Young Horse — which I wish you would do -

I wish you to ^{tell} Sylvester Mordville that as I
have got 4 Guinea huns I am to have another
pair from Mr. Lupton that I will buy his as he
cannot keep them from mine —

Your friend

Samuel Gorton

My dear Mother
I have just received your letter of the 10th inst. and am
glad to hear from you. I am well and hope this finds you
the same. I have not much news to write at present.
I am, however, very anxious to hear from you and
hope to hear from you soon. I am, my dear Mother,
ever your affectionate son,
John Smith
