

Eastham Town March 17. 1823

Dear Brother

I have yours of the 14. and thank you for your attention to the Debt there was a small error in my first list of trifling consequence it was as to the number of acres in this lot as you will perceive when you receive the last letter to you which I sent to Albany and which you did not receive there but I suppose will follow you. it is however of no consequence

Cousin Stephen Eastham has requested me when I pay the Debt that I would also pray for him. as he knows not how to proceed - and will also pray me for his part of the commutation which you know I paid - &c - Mr. Ver Planck promised me to do the same Stephen's part is as follows -

is the name of	1447. acres	front lot N ^o four. or Turners Lot
of	2760. 50	Great South lot N ^o six
Stephen	2660. 20	90 90 90 N ^o seven
Van Cortlandt	686. 50	South of Croton - N ^o four.

Eastman's	1452.	South half of North lot N ^o three
Beckman's	2394.	Great South lot N ^o eight -

3719.70

I think it will amount to for
acres about \$32.21
if not

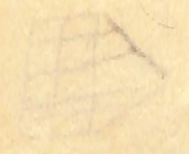

as to the commutation he must
suckle with me

If you will please to request Mr. J. Mearns to pay this also I will thank you. and on your sending me word that it is agreed I will write to him and inform him as he is anxious to hear from me. your affectionate brother
E. N. Eastham
