

May 28-1799

George Tomkins And James Shoke have
at my Desire Estimated how many days work
it will take to Repair the Little mill and
Repair the Old mill with the Running Work
to say the Water wheels and Egg wheel Turn the
head, and what belongs to the mill work with
a new bed and new Sills, ^{for} and raise the ~~old mill~~
and make the flay and dam all in a good
order in Reasonable the Number of days

I have agreed with Geo. Tomkins
he is to complete the mill work as above
and to get the Cants and Eggs I must bring
all the Timber to the mill he is to what is
wanted If I have no such Timber for £60--
to complete the above by the first day of
October next JVC

£44.10-0

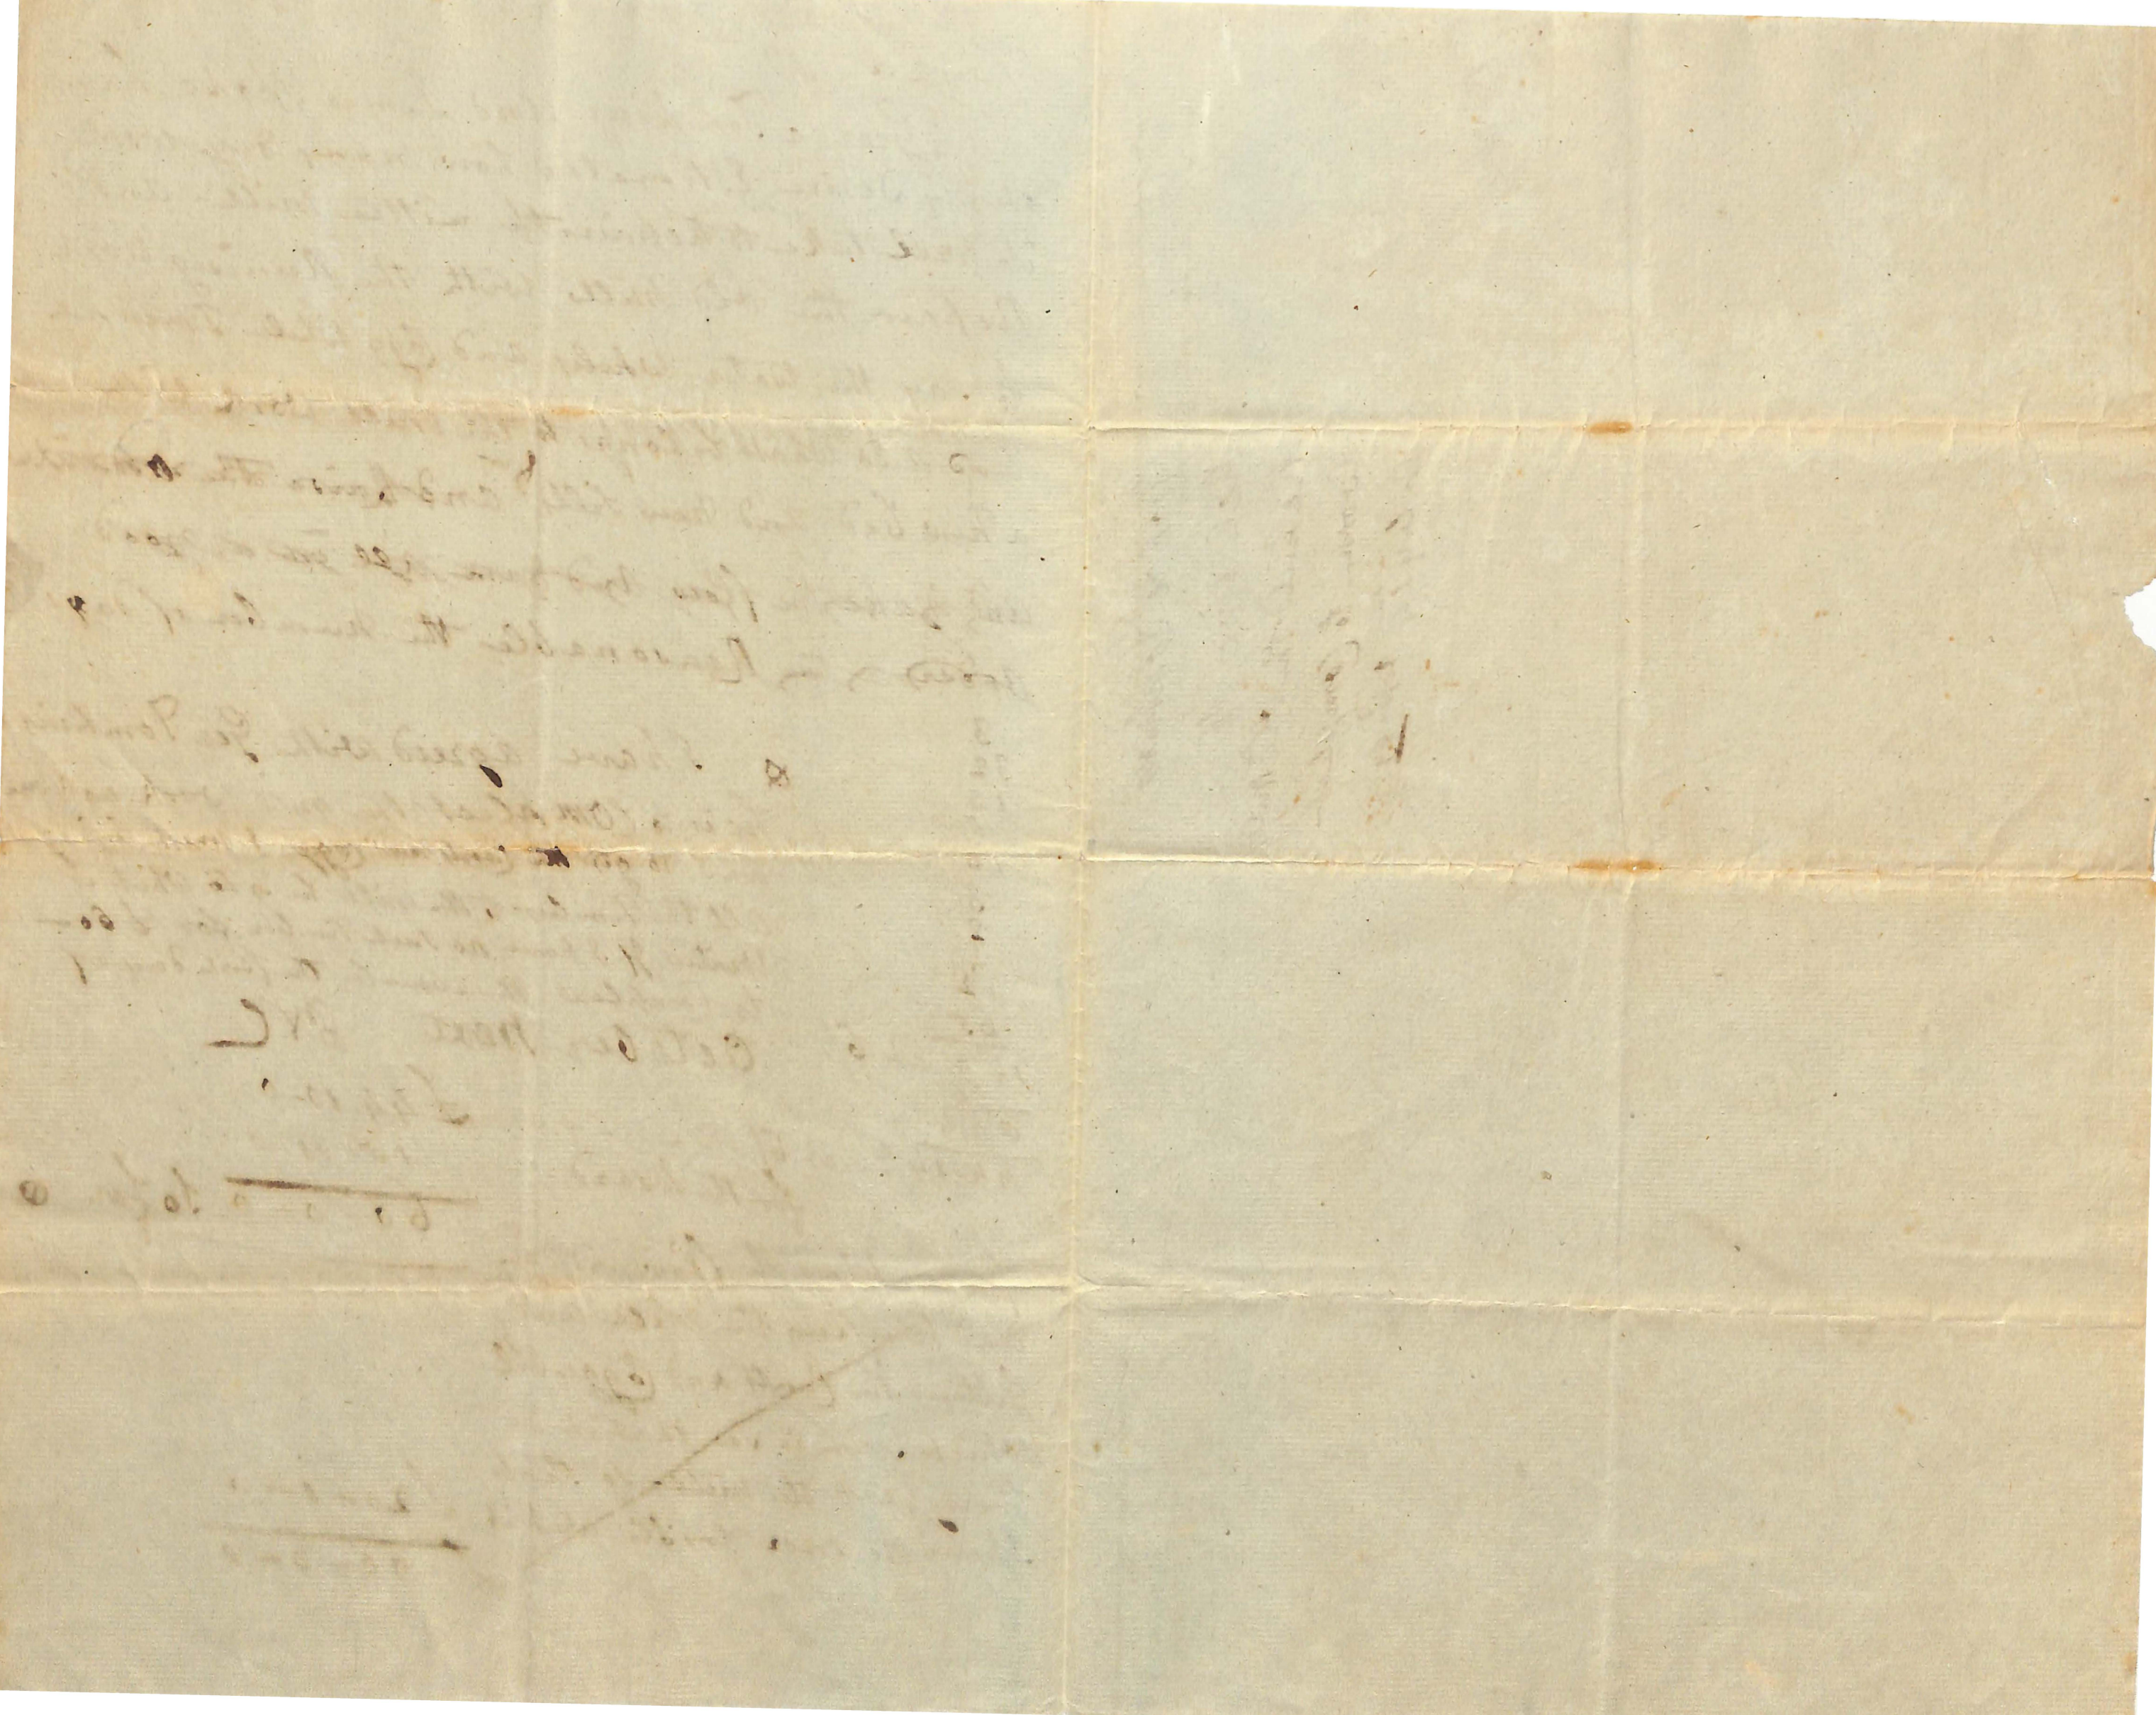

for the Board. 15-10-0

60-0-0 so far

~~For making the flay and dam
and raising the mill and
getting the Cants and Eggs. all
which I am to see that it is
brought to the mill so that
I have no more trouble with it~~
