

Friday, afternoon

Dearest Em.

Eliza and Cornelia
are going to Miss Varick's
this Eveg., and she invited
me also. There is every prospect
of a rainy day to-morrow,
∴ I would invite you to
come to-morrow Eveg. but I
think it is best to appoint
Monday Eveg. as a general
meeting of the cousins, when
I shall be most happy to
see you and the Mrs. Hoffman.
Believe Me Yours Marie
