

Jamaica 20th March /69

Dear Sir

As I expect you will be in York the 4th next month shall be glad if you'll bring your Act. with you against my fathers estate, as it has been of some time standing my urging it at present will be sufficiently apologised for; I was in great expectation when you was last so long in the City that I should have had the pleasure of seeing you at Jamaica agreeable to your promise but am willing to think that the publick business you were then engaged in prevented you. My love is joind with Mr. Cortlands to my Aunt Cortland & Cousins — I am D^r Untill Your Affect. Son & Man
