

on several occasions, - I was even called on to
settle the bills on the mantels - on which
to you will find I paid nearly as much
as I charged you. - (On two items, I paid
you about \$50⁰⁰) The Green Stone mantel in Hall
cost about 650 - 5% is therefor \$32⁵⁰ - for this,
I made 6 sketches, - designed the carving full
size, supervised the modelling, and execution at
Ellis & Titous. (6 trips there) and the erection at the
Building. - you can see from this that 5% on
such work is not enough commission. - I trust
therefor you ^{now} see the justice in my charging you
for mantels bought by you. - Architects ^{pro}
paid for freecost & leaded glass, even tho' they
never design a line of them. - Did you know the fact that I could have
charged you \$375 more than I did. - on the alterations
in plans & details, and in settling bills! - which
last service, was clearly outside of the usual
practice - and on which you told me to charge
you 5% - I desire only to show you, that

your 750 - I desire only to know you. that
practice - and on which you feel as to
last service, now clearly outside of the merely
in terms of what, and in terms of bills - which
to say you 750 were then I did. - as the
new design a kind of thing - I never have
paid for process & passed down, even then they
for manifest things by you. - absolutely
transfer upon, as the picture in my changing you
which is not enough communication. - I trust
building. - you can see from this that 750 or
Ellis (this) and the creation at the
and experienced the modelling, and execution at
I need to sketch. - designing the remaining free
not about 600 - 750 is transfer \$325 - for this.
you about 750 - the Green Stone remains in Hall.
and I changed upon. - (for two items I have
to you this find I have nearly as much
settle the bills on the accounts - as which
to remain occupying. - who are called up
