My Dear Annie

Jack writes

me that your en-
joyment is enormous
as is I am writing
to tell you how glad
he shall be to wel-
come you into the
family - I am so
glad that Jack has

choose one whom
we all know and
love - so there will
be nothing strange in
the new relation
I hope dear that you
will have to think of
us all as your very
own people - I am
sure that if your
dear Mother were
living, she would say.

more for she was very
fond of Jack - I am
sure that Jack will
make an ideal
husband for he has
always been such a
dear good son.
I will try to be a
model Mother in law
I am preaching on
Willow - Remember
me most kindly

to your father - I hope
he is enjoying his
holiday - We were all
very glad to hear of the
safe arrival of Louis
baby - Love him our
hearty congratulations.

The girls have moved
their room to Somerset
to church -

Ever yours affectionately
Florence Woodriff
