

Albany 27 July 1863

I am extremely grieved to find that you
my Dear Child are so much indisposed, and
altho your presence at the future Survey of
Clawracks would be desirable and beneficial
^{yet} ~~as~~ ^{as} ~~your~~ ^{your} ~~health~~ ^{health} are to be put in ~~in~~ ⁱⁿ ~~competition~~ ^{competition}
with your health, do not therefore go to Clawracks
until you are completely restored.

A Journey to you would not only be a
beneficial exercise, which I very much want
but gratifying to my feelings and affection
but I am still unfortunately confined to my
chair, for altho I now suffer very little from
pain. I can only move with the aid of crutches
consequently have little exercise, and until I
had recourse to the chariot, had almost entirely
lost my appetite, that is now restored in

a considerable degree.

Calypander in love to you ^{to} my Daughter
and to my Grand Children. I hope you are
minding and that they are all well.

I shall not be at ease until I hear that
you are better, pray write me if you can or
let my daughter write

God Bless you all

I am my very beloved Child

Your Affectionate parent
