Mr. William H. Mersereau,

#32 Broadway, New York City.

Dear Sir:-

Our estimate is One Hundred and Twenty-eight (\$128.00) Dollars for furnishing the following F. O. B. New York, and setting in Mr. A. D. Irving's residence, Sunny Side, Irving-on-the-Hudson, N. Y., it being understood that the owner is to concrete the floor and furnish the necessary rough materials.

## STAIRCASE HALL:

1 floor of 9" x 9" red Welsh quarry tile, with Tennessee marble nosing at passage door.

We take the liberty of substituting the Tennessee marble nosing for the bullnose tile mentioned in your letter for the reason that the former will stand the wear, which, in our opinion, the latter would not.

We hope to be favored with the order.

Very truly yours,

E. BRADLEY CURRIER CO.,
