Mr Wm. A. Messereau
Dear Sir

Yours of the 9th at hand in
regard to the wire fence at Long Side.

I bought the wire from Swynne & Richardson Hardware -
569. Hudson St. They get it from the American Steel & Wire Co.
And built it my self.

This is the kind of fence which I put up
glad to hear you have two good jobs
Have been very busy this year - and good
prospects ahead
Yours Truly
A. M. Hunter
