Dear Theodorus

I Some time ago Wrote to Mr Dyckman to Send Me fifty dollars part of the Rent due to me the General told me he had not Settled the Last years Rent nor this year Neither, When your Unkle took the Croton farm I told him that One half of the Rent of the ferry Should be for your grand Mama and She never has had above fifty pounds, If Mr Dyckman does not Settle the Rent I aſsuredly Will advertise the ferry soon and Let it to Some Who will give good Security to pay on the Rent Quarterly

No One Can Expect to Live there Without paying the Rent Quarterly you Can make this Know to the General as I think Dyckman Is trifeling With me, how did you Leave your Brother, and how is the Diſorder in New York I Intend to Send Titus down a Tueſday With 3 Empty bbl. for Syder. Send your Answer by him Our Love to you And All with Us from Your
