

To the Commissioners
appointed by Act of Parliament
for enquiring into the Losses and Services
of the American Loyalists.

The Memorial of Frederick
Philipps Senior.

Respectfully Sheweth

That at the Commencement of the late Rebellion in
America your Memorialist was entitled under the last Will
of his Grandfather to a very extensive and valuable Tract of
Land near the City of New York known by the Name of
the Manor of Philipburgh as Tenant in Remainder in
Tail after the Death of his Father, His Father from
Principles of Loyalty and Attachment to the British.

Government took a decided part against the Measures of the Seditious and was obliged to take refuge with his Family, of which your Memorialist was one, within the British Lines at New York And afterwards from the same Principles and Motives your Memorialist was induced to Enter into his Majesty's Service for the purpose of suppressing the Rebellion and is now a Captain in the Loyal American Regiment of Foot.

That in consequence of the loyal part thus taken by your Memorialist in the Cause of the British Government the Rebel State of New York have passed an Act of their Legislature by which the Person of your Memorialist is attainted and the said Estate confiscated to the Use of the State by which he is deprived of a very valuable Property derived from his Ancestor and reduced from the Prospect of Opulence to that of Poverty and Distress.

Your Memorialist therefore
 prays that you will take his Case
 into your Consideration and make such
 Report thereon as shall enable him
 to obtain a Compensation for his Losses
 sustained on Account of his Loyalty
 and Attachment to the British
 Government.
