My Dear Willie

I would have  
answered your letter  
before saying this  
I would see you. but -  
My heart is full of  
W<sup>m</sup> Johnson has made

inculcating of our  
movements - I had  
hoped to be in N.Y.  
on Monday morning.  
but my wife is still  
confining & her bed  
which keeps me  
here -

Of course I am  
quite agreeable that  
you should write

any thing that you may desire  
of her for some time - the only question  
in my mind is whether or no the  
want of "diffusion" is really something  
of a structural "into the public" -  
we will go over this matter  
when we meet.  
I think I can do this day

that I will be at the 5<sup>th</sup> Ave Hotel  
next Monday - say between 5-6  
P.M. if on the contrary I will let  
you know. I shall go north shortly  
after my return to York as I am  
anxious for rest.

With love to them
