

D^r Sir

Littlefield Oct^r 30. 1835

I am ~~informed~~ with your Letter of the 24th inst -
Inclosed is a Letter for Capt Hopkins inform-
ing him that ~~unless~~ he discharges the
small Note in your hands by paying
you the money ^{in a few days} the Note will be put
into an Attorney's hands - I have there-
fore to request that you would please
to deliver the same to some faithful
Att^y if he should fail complying with
my last hint

Please to present Att^y Tallinadge's

My Compliments to Att^y Colt - We are both
happy in having a fine boy - Mr^r
Barnabas knows nothing of the plying
sensations which attend this situation -
My best wishes attend him, & I hope the
Widow will soon take him to her arms -
Unless this Event should take place I
shall feel anxious for his Constitution
the approaching Winter -

Yours very affectionately

SHR

Benj^l Tallinadge

P.S. I have spoken to Mr^r Mosely, & others

Mr^r Colt I wish the note may be deliv^d if not
