

Treasury Department
November 4th 1805.

Sir,

I have to request that you will retain in your hands a sufficient sum of the monies arising from the duties on imports & tonnage, for the purpose of discharging the allowances to fishing vessels, which will become due in your district, on the 31st of the ensuing month; and which are to be paid agreeably to the instructions heretofore given for that purpose.

If the funds accruing in your Office should fall short of the amount required, you will pay the deficiency by drafts on Benjamin Lincoln Esquire; observing to adopt the form heretofore prescribed for that purpose, and the instructions in regard to the Weekly statements.

I am, respectfully,

Sir

your obed^t Ser^t
