

Albany Decr 17th 1825

Dear Papa

I have been long expecting a letter from you but have been disappointed but I hope I shall have an answer to this.

I begin to think that you have quite forgotten the promise you made me when you left here.

Do write me soon and let me know something about the wedding and if there was a scission or not

Cunt has received so many letters from Uncle Pierre that I begin to be quite jealous the last one informing us that he expected you & mine to dine with him on Thursday 15 inst. I hope you have wrote me a letter and left it at the post office as it will be all in the way going to Uncle Pierre.

We are both well my love to you all

Yours

Affectionate daughter
Emma Van Wyck

P.S. Do write me soon and let me know how you all are
