

My Dear Father

The Dr. has prescribed
the Extract of Teraxicum for Colic
and he wishes you to get him half
a dollars worth at Chiltons, and
send it by the return boat if
you do not come yourself.
He has been quite sick since you
left. every thing he takes appears to
disagree with him & he is now in
a great deal of distress. the rest of the
family are quite well.

Most affectionately
Your Daughter
Joanna
