

My dear Sir,

13456

I have been prevented calling
on you in consequence of being a juror in
a litigable case which occupied all
yesterday and commences again at
10 this morning with the prospect of
two or three days more.

I have a few copies of the "Athenaeum"
and of the other works - two of them,
B. Hall & tales of handkerchiefs are of the old
edition you had from Mr. Parker with view
for the total edition - as he wishes to
be in the style in which they are sold.

Parker wishes me to determine whether
anything can be done with a view about
publishing in Eng^d. by H. G. Puseley, of the
British Legation at Washington - "Remarks on
the Statistics & Political Institutions of the
United States" - I will try to see you this
moment & get relieved from the press.

H. C. Carey Esq

Yours Most Truly
John Lubbock
