

CHATEAU MONT ENA,
TRESSERVE,
AIX LES BAINS.

Wednesday May 7th 1919

My dear Cousin

I cannot thank you sufficiently
for your good letter of the 6th inst.
I feared lest a drone in the hive had
disturbed its more valued & useful occupants,
but now I feel at rest.

The information you give me as to Autos
is explicit & much valued.

That about my status as an American
gives me the greatest relief, & I trust
I may some day have the pleasure
of meeting our Ambassador and his
first Secretary, Mr. Sterling - when
owing to your kind thought I should
not be a stranger!

But I write to send you a warm
message from Ena & myself - & say
that you will be heartily welcome at
Grand Ena whenever you come - only kindly
wire us beforehand of your coming - The
Auto-Car will meet you at Aix.

Affectionately & heartily
Omea Van Warf
