only varies the former devise by letting going to his
son Pierre one quarter part thereof ~~and does not pro~~
vide how it shall be divided between Pierre
& the daughters - as to the daughters it was provided
for in the ~~last~~ first devise thereof as this does not revoke
that devise as to the daughters only as being incon-
sistent with their taking more than three parts three
of - Pierre is to have the one part thereof ~~and~~
~~it could have~~ so that the Daughter who drew
the 500 Acre lot takes the daughters part of the
Ash Lot And in release of the whole
of the whole ^{3/4} was ~~there~~ ^{deeded} to C.V.W. And one quar-

And the exception in the Release as to the Ash lot
