My Aunt Maria

I was in Boston
for two weeks, and
only got your letter
on my arrival here.

I am sorry to find
you feeling in such
low spirits. Things
must be bad when
you complain. I

me as soon as you
can I have something
of importance to
tell you - don't fail
to write me at -
one place and when
I can see you -

For I sent a little
remembrance to your
two little ones and
join me in best
wishes to all
Yours
Vol
