

Dr Theodore

March 23-1861

I Received your Letter of the 20. Instant with
one for John Spoke, the Wheat you sent up with Capt^{try} Brown
Is stored in his Store, as the Store house at Pe Mar's Landing
was not fit to receive it, Mr Sharrocks had the Scow brought to his
Landing got her Turned up but as the large freyshe have been
Ever since, he says she cannot be got Ready in four day or ^{days} later.
As soon as she is fitted I will assist John Spoke to get and bring up the
Wheat with all possible Dispatch I think there will be no want
of Cask for first I have Engaged the Cask that three ^{ice} 100 pors make
and will get all I can. I Expect three Loads this week say 150
I have now a number in both Mills hoop poles I can get as many
as shall be wanted, I have people in preparing the Timber
for a Coopers Shop and have Let James ^{Hainey} House and garden
I shall send you I think next week about 20. or fifty
barrels of fine flour and about 30 of Rye flour, with what
miding, and this stuff can be got Ready - as to hiring
people by the month it is deferred for first, My people
shall assist as much as possible, If you can send me
Any money by the bearer Alexander M^r Cream, it will
Enable me to pay for Grain I have bought and to purchase
more as all grain here is ready Cash and no getting it
without

New York March 28th 1801

Without money the Last wheat that I bought
Yesterday, at 16/6 Cash. and more is to had,
John Shoke is now grinding for me and
will finish my grinding in a day or two
So that the Mill will be Ready by the
Time your wheat can be got up

Our Love to you and all you

from your Lov. G. Father

Cash

18/6

Wheat 7/6

Corn 7/
