

My dear Sir

in consequence of a supply from the sale of our
respected old Father's Estate which was expected to have been
received this Spring I engaged to satisfy the craving Appli-
cations of some of those people for whom I have not the
greatest affection, & as I would wish at this time to pay
every person as far as my ability will admit it would
afford me a very singular pleasure if you could assist
me at this juncture, I would only urge as an apology
for my writing at this time I am this subject that I have
been under the necessity of making a small purchase
in consequence of being obliged to leave the place I hired &
am to make a payment this spring, could you favor me
£40 new. £75^{or} with a friend who now joins in love to assist I think
it would afford a very great pleasure to Dr. Mable
