

~~Chas~~ Pakenham /
8 October 1807
Oct 4. Packer's Hill. Letter to Geo Clayton

Had rec^d information from the
merry from Guardboats of 2 ships
of war 3 tenders & a number of
flat bottomed boats coming up
landed at Tangier. They have
they are making for Cadiz & then
for Antwerp to be near their
march. Incl Packer has gone down
to rec^d information. Whether they are
for the port (Packer's Hill)

Have sent the cargo with their baggage
leaving here to cross down or from
at present

h⁴ Letter from James Clayton Port
Mauritius. They by Capt Gains
of sailing of the Packer, then
landing at La Jangue

~~They~~ They will be heard from

Putnam. The alarm given -
8 or 10 guns heard below
few minutes and some men
no paid officers and many of the left
after Snodgrass approach with fire
an alarm given

4. For division at Newbern
of at night. Has paid me 3 the
express from his brother & has
advised him to call in the orange
bulletin like put - by of ~~some~~ ^{some} ~~men~~
down by signal given - well
so down early in the morning.
36 clock sending money. has the
despatch from Putnam. Shows the
intention of the money is to
save. Putnam had Charles County
the above as to the Pres^d of bank
by the order of assembly of 1840.

Oct 7 - Letter from Geo. Cleveland
to Union to Council of Safety
The night he left to himself he
crossed the river by joined Putnam
at Cumberland village to

Oct 8. Putnam to Sales. ^{Putnam} Healer of the
small fire about had been left with
him. I wrote to S. W. on his calling
off the last troops from Picksville & told the
number the money had by which I had
or useful object to show them. and told
him in plain terms that I could not
warrant the post neither did I think
myself answerable for it. the same in
substance I wrote to Gay^r and I think
the burden of any there be of upon
their own shoulders.

Enemy evacuated the fort on
the 2nd of the Highlanders about the 2nd of the 6th
