

Dear Uncle

I have received your letter of the 12th inst and was happy to hear you was getting better of your illness and I hope by this time you have quite recovered your health again.

I was sorry to hear the ill health of Miss Debever. I heard from Aunt Kumpelner a few days since she was then very well. —

We had a violent snow storm Friday and the weather still continues very cold and the sleighing is very good. I received a letter from Pappa yesterday. I have no news to write you and so must finish my letter. We are all here very well. Give my love to Grand-Mamma, Mamma Pappa and my brothers. I hope you will excuse my short letter.

Your affectionate Niece
