New York City.

Dear Sir.

August 3^d, 1903

Our estimate is Two Hundred and Fifty (\$250.00) dollars for furnishing delivering and setting the following in residence at Irvington N.Y.

It is understood that the floor is to be concreted to within 1 1/2" of the finished floor line, free of expense to us. We to furnish scratch coat and furnish rough materials for setting our work.

Our estimate does not include iron lath.

Bath Room

1 floor of 2" white vitreous first quality.
Wainscot 4'-6" with 6" x 3" ivory white glazed tile and sanitary base and moulded oak, all first quality. We hope to be favored with the order.
Very truly yours,
C J & Curtis & Co.

Tarrytown, N. Y. August. 1903.

Mr. W. H. Wessman:

Dear Sir: — The proposed work at Sunny side amounts to more than we supposed it would, say: —

New bath room, with bath, closet and lavatory to correspond with fixtures in other bath rooms, — including tile floor and wainscot (foundations for tile to be provided by owner); also a plug and stopper waste for the bath which now has patent waste; canvas bath seat, soap dish and sponge rack

\$ 626 00

Less tiling 253 —

Water closet and pipes for old bath room, including repairs on tile floor, which would be occasioned by cutting out floor for closet

\$ 136 00

Trusting to have the pleasure of doing this work for you, we remain,

Yours truly,

C. H. Curtis & Co.
