

Seneva 20th July 1843.

Rev. & Dear Sir,

We have received with regret, your resignation of the Rectorship of Trinity Church, Seneva; and while we do justice to the motives that influence your act, we cannot but ^{hope} that some event may restore you to that connexion with us which we have ever ^{highly} valued. We acknowledge, with gratitude to our heavenly Father, that you have been the cause of much good to the Congregation of this Church, over which you have been a faithful minister for nearly seven years, and we ardently pray that you may long continue a shining light in the Church of Christ. May the providence of God sustain and protect you and every member of your family.

The enclosed Resolutions have, with the foregoing, been placed on the records of this Church, and

We remain
