Just after the
marriage

Hartford February 3rd
Tuesday

I write you a few lines my dear Parents
(on the road) to inform you thus far we get on
well - our ride has been comfortable & pleasant -
a storm on Saturday night which was severe &
violent carried off many of the bridges, that
we have forded one or two rivers, but with-
out inconvenience or danger - we contemplate
reaching Rhinebeck the next day after to morrow.
I dare say you have heard from Boston since
we left it - I shall be anxious to hear from
there, but I confess my heart is much more
at Newburg Port where my dear father & mother
reside - that spot of earth which will always revive
to my mind domestic & heart felt enjoyments -
M^r Schuyler writes to W^m by this mail - he
desires his best & most respectful remembrance -
Catherine love & duty - for myself as much of
all as you will receive - Pray remember me
to ~~our~~ friends - Aunt Fann from most particularly -
I wish much to hear how she is, though all
my expectations are gloomy - If Enock comes
across a leisure moment ask him to give me
the news - I have only time to bid you good
bye as we start immediately - Yours
