

Miss E. Nicholas
284 Greene St.

Dear Emma

I have been trying
to come round and settle
the matter of going to Mr. Storr's
but cannot succeed as my
kind friend (whom you I guess
have some acquaintance with)
is so painfully troublesome
that all idea of doing anything
has vanished. I think it doubtful
if I am dressed to day. I should

be delighted to accompany
you dear Emma, but you
must be convinced I can
not under present circum-
stances. Good bye your affec-
tionate and attached

Mary Ella

I hope to go with you to Sunday
school to-morrow. Please send
my night gown. Again adieu

M. E.
