

which Providence seems to have opened.

I therefore hereby resign the Rectory of Trinity Church Seneca. If agreeable to the Vestry, it would be my desire to continue in charge of the parish until the first of August next. & to take leave of the congregation on the morning of the last Sunday in this month.

As I cannot immediately make arrangements for the removal of my family, I should be glad (if agreeable to the Vestry & the ^{house} parsonage) should not in the mean time be wanted for a succession) to retain possession of ^{the parsonage} for a few weeks ~~say until the first of September.~~

^{The records of the parish, the registers & the plate will be delivered to the churchwardens at any time prior to my departure.}
I am gentlemen, with the warmest

interest in the welfare of this parish & the most sincere wishes for your happiness

in discharge,

Yours friend

Perce P. Perry
