

New York March 24. th 1836

My Dear Sir,

This will be handed you by Mr Geo. P. Putnam, who goes to Europe as agent for Messrs Wiley & Long of this City. with the object of sending out to their country any valuable books that may be published. as his success will be rewarded by an acquaintance with the principal book sellers of London, I would bespeak your aidance for him in that particular.

Believe me, my Dear Sir,

Very sincerely yours
