Dear Cousin

A letter just received from Mrs
Gould tells me of The very kind Recep-
tion you & your wife gave her, as a
kind of Response to my letter given her for
you. Please accept my warmest
Thanks, for I appreciate how
often of the production can at
times be troublesome.

This will be late for X-Mas
but all the good wishes

it carries will help. The
year 1930 also - So all is well.

I feel some letters
have been lost, for it
is too long since I have
heard from you. The first
you are both well however?

Yours aff. cousin
