The Commandant ^{agreeable to} ~~herein~~ ~~announces~~ General, Division & Brigade Orders, ~~from~~ ^{by} which ~~12704~~ are directed by the President of the United States to be detached from the militia of this State, 1617 of those ~~are~~ are by General Orders to be detached from the Southern Division, 204 are by Division Orders to be detached from this Brigade, & 82 men by Brigade Orders are to be detached from this Regiment including Officers - In the Detaching of these men the Commandant feels some embarrassment from the Brigade Orders not particularizing what number of Officers & of what grade are to be detached from this Regiment. The Commandant therefore ~~does~~ ^{thinks} ~~not feel~~ himself ^{justified} ~~warranted~~ in Detaching ~~the~~ ^{allowing} the number of 90. In the following manner

The Commandant regrets that the Regiment had not have been ordered to muster as he feels assured ~~that it is~~ ^{from its} patriotic that none or very few would have refused their services as volunteers to avenge the National insult, offered

to us by the cowardly & infamous conduct
of our Old & inveterate Enemies the British in at-
tacking & murdering our fellow citizens on board of
the United States Frigate Chesapeake - He therefore
in Order that the different Companies in the Regi-
ment may embrace this opportunity of turning
out as volunteers direct that the Regiment undy-
vours by Companies in their respective Beats on

The Commandant congratulates his
Brother Officers & Soldiers in the wisdom of
the Electors of this State selecting their present
Commander in Chief, by whom he trusts no
idle Parade or Brigade Review will be ordered
to display tinsel finery or to answer
electioneering purposes, whose Department is
that of a Gentleman, & his sole Object as
Commander in Chief of the Militia will
be directed to put the Militia in such
state of defence as will be ready to protect
us from our outward Enemies the British

as well as our Internal Enemies their Ensigns

The Commandant agreeable to the 15th enacting
Clause of the Act ~~enacted~~ for the Organization of the
Militia, giving commanding Commandants of Regiments
to call a meeting of the Officers for improving in
military tactics directs ~~the Absence~~ all those
Officers who ~~absented themselves~~ ^{were not present at} the meeting
of this day to assign the reason of their Absence
to the Commandant by the first day of August
next; Otherwise the Adjutant will be directed to
~~in the Law directs~~ to obtain the fine the Law
in such manner as the Law directs -

~~The Commandant is sorry to~~
~~while it is the duty~~

In order to keep up a due subordination in the Militia
it is necessary that no ~~improper order should be issued~~
the Law should be fully and completely complied with
the ~~from time~~ ^{at} strict attention ought to be observed by
the Inferior Officers to the Order of their Superior Officers
as from the private to their Officers
for if this is not attended to, with what degree of
propriety can the private be ~~expected~~ fines be imposed
upon the private for neglect of duty. While their
Officers, who may perhaps ^{be} ~~also~~ negligent, are suffered
to pass by without notice, therefore the Commandant
deems it his duty to require from the Officers who
did not ^{on Saturday last at Court's Hyatts} meet agreeable to Regimental orders, to
assign the ~~reasons~~ ^{causes} of their Absence by the
first day of September next to the Commandant

that such measures may be taken to put the law in force
against any person whose license may not be satisfactory —
