

Office of *The Evening Post,*

41 NASSAU STREET, COR. LIBERTY,

New York, March 24 1866.

My dear Sir,

I have written to Mr. C. W. Mitchell of Dalton, to ask him to get the India Matting which is to carpet the principal rooms in the house at Cummington.

Will you do me the favor to send him the dimensions of the dining room and ~~the~~ two other rooms in the lower story - namely the west room and that in the South wing, and of the chambers in the main part of the building except one of the smaller ones, that he may know how much matting to provide. For the South-east room there is to be a woollen carpet, and my wife has another which she intends for one of the smaller chambers in the main part of the building.

I suppose the building begins
to put on something like a habitable
appearance. I have written to Mr.
Mitchell to have the things which
I have commissioned him to get
for me at Cummington by the
middle of May. Will this be soon
enough? If it will not, do me the
favor to inform him when you write
to him at what time they should
be there.

I am, sir,
truly yours

L. H. Dawes Esq. W. C. Bryant,
